

HOLT FAMILY APARTMENTS

March 2026

THRIVING FAMILIES

Pomona, CA

Affordable and supportive housing for families with on-site supportive services provided by Tri-City Mental Health Center and an array of services and amenities designed to help both parents and children thrive.

Robust mental health supports, including psychiatric services, medication support, and therapy, combined with case management, vocational programming, and connections to other supports promote wellness, build resilience, and support recovery.

Holos Communities (Formerly Clifford Beers Housing)

Core Components

- Resident services coordinators work with all tenants to create a sense of community. On-site amenities include courtyards, outdoor play space, a community garden, basketball courts, a computer lab, and a community room with a kitchen and lounge.
- Services focus on improving stability, self-sufficiency, benefits enrollment assistance, mental health, medication management, counseling, job training, and life skills development.
- On-site property manager works closely with the resident service coordinator and case managers to ensure quality of life for residents and the surrounding neighborhood.
